## Group's invite to get snapping

BUDDING photographers can send in their top snaps to a parks group.

In a bid to flag up the talent that exists in Stretford, the Friends of Victoria Park are holding a photographic competition.

Entries can be sent to [parkfriends@hotmail.com](mailto:parkfriends@hotmail.com).

Friends chairwoman Shelly Quinton-Hulme said: "We will all be able to enjoy the display of these photos at at our Animal Hunt event in

May. I've seen a lot of beautiful pictures taken in Victoria Park over the years and it will be lovely to see them all together and build up a gallery of park pictures for future generations.

"We will also be able to use these pictures to decorate the walls of the community building ensuring that the public can always see how wonderful the park is.

"Not withstanding all the social reasons to enter, there is a prize."

**PARK LIFE:** Shelly Quinton-Hulme hopes people will enter the Friends of Victoria Park's photography contest
