

Victoria Park Fun Day

Friends of Victoria Park held their fun day at the end of July, they were fortunate to miss most of the recent bad weather. All enjoyed a bright sunny day. The park was a hive of activity with lots of races to enjoy in the Duck Decathlon, including old favourites such as the egg and spoon and sack races. Those taking part seemed to be enjoying themselves, no batteries required. There were also a

variety of stalls you could browse around. It was a great day enjoying one of Stretford's wonderful parks in the sunshine, what better way to spend afternoon. Summer at its best.
