LOOK OUT FOR YOUR 2012 EVENTS CALENDAR

The Friends of Victoria Park are a group of volunteers who raise money to make improvements to the park and put on these community events. We work with Trafford Council BUT not for them. We are always looking for help running the tea room for a few hours, raising money, event organising, project management or just some practical work - so please get in touch if you feel you can help in anyway. Please look out for posters around the park or check out our website www.fovps.org.uk for more details on the above events. Refreshments are available at our events with any profits going back into the park or our events programme. We are hoping to open the tearoom more often this year - so look out for notices in the park.
