

All about dads

IT'S all about dads next week when Stretford's Victoria Park hosts a dad specific family fun day.

Families from all over Trafford are invited to the event at the park, **pictured**, the day before Father's Day on Saturday June 19, from 12 to 3pm.

Assault courses, a bouncy castle, den-making, football skills sessions, bike rides and water play are just some of the activities taking place.

Executive councillor Christine Turner said: "The idea is to get dads and children together sharing fun activities and enjoying each other's company. We want to see as many dads as

possible bringing their sons and daughters along for what promises to be a great day.

"By also letting us know what extra services or support they would like to see, they are helping us in our commitment to continue to develop and improve local services."
