■ A PARK group is chasing a £5,000 grant to improve a tea room.

The Friends of Victoria Park need public votes to win the grant from the Co-op's Join The Revolution scheme.

The tea room, which was re-opened in January and is run by volunteers on Saturdays and Sundays, needs its kitchen refurbishing.

Friends group chairman, Shelly Quinton-Hulme, wants £2,500 to spend on cupboards, crockery, cutlery, and paper goods, £2,000 for gazebos to hold community events and £500 for Commando Joe fitness sessions

Ms Quinton-Hulme said: "We see this money as yet another step at creating more community cohesion among the people of Stretford."

The friends are now hoping to get people in Stretford to log on to help them win the money. To vote go to www.co-operative.coop and follow the links.
