17th Stretford & Urmston Scout Group	£1,000.00

Focus On...

The Friends of Victoria Park, Stretford

The Friends of Victoria Park are a group of volunteers who raise money to make improvements to the park and put on community events. They work with Trafford Council but not for them. Each year they organise numerous community events, from arts and crafts, to sports days and butterfly watches. If you would like to know more about these events you can visit their website www.fovps.org.uk where they have a comprehensive events calendar. They are always looking for help running the tea room for a few hours, raising money, event organising, project management or just some practical work.

If you would like to get involved, or would just like more information you can email parkfriends@hotmail.com or contact **Shelly Quinton-Hulme** on **07718 287 131**
