

Six of the best for borough parks in the Green Flag awards

Hullard Park

Victoria Park

THE six Trafford parks entered for Green Flag awards have been successful.

Trafford Ecology Park, Denzell Gardens and Devisdale, Walkden Gardens, Worthington Park, Hullard Park and Victoria Park all received the accolade – the

national standard for parks and green spaces.

Executive councillor Jonathan Coupe said: "I'm delighted to see Trafford's parks once again honoured in the Green Flag awards.

"This reinforces the commitment that local people, the council and

Friends groups have shown towards the borough's green spaces and is to be celebrated.

"Residents have proven their support for their parks and green spaces, with more than 80 per cent giving them the thumbs-up in the annual residents' survey."
