## Park comes alive at Halloween

A STRETFORD park will come alive with all manner of spooky fun later this month.

Friends of Victoria Park, in partnership with the Big Lottery Fund's Changing Spaces programme, are hosting a monster Halloween party on Saturday, October 30, between 10am and 7pm.

There'll be a host of activities for everyone to try, including lantern making, spooky face painting, a fancy dress competition, a scary story session, and a lantern parade.

The day is part of a wider celebration of improvements to the park thanks to a £44,000 Lottery grant announced earlier this year.

The improvements include a trail, which is expected to be used by adults and children to improve their fitness levels.

"This grant has enabled a lot of people to be involved in improving the park and we hope it will lead to greater ownership among the community," said a spokesman for the Friends group.
