

Spooky fun time

STRETTFORD'S Victoria Park was a hive of activity as friends and their families celebrated Halloween at the weekend.

Children made lanterns before holding a parade after dark.

The children who took part in the parade also dressed in an array of scary outfits, from witches' robes and pointed hats, to Dracula-style capes.

Elsewhere, staff at the Barton Road Co-operative Food store in Stretford dressed up as ghosts and ghouls to raise funds for St George's C of E Primary School in Heaviley.

The spooky members of staff raised £440 to pay for a coach to take pupils on a visit to a Co-operative Farm in Goole, Yorkshire, in the new year.

Anthony Johnson, manager of the Barton Road store, said: "All the staff really loved getting dressed up for a good cause this Halloween. Our customers really got into the spirit of the day and enjoyed being served by wicked witches and ghostly ghosts."
