

Mutt Max is top dog

by Bethan Dorsett

FORGET Critics! There was only one place to be for dog owners and their furry friends on Saturday.

Cuddly cross-breeds proved the top dogs during an afternoon of family fun in Stretford.

The Scruffs dog show at Victoria Park gave owners the opportunity to win prizes for their favourite pooches – and mutts were more than welcome to take part.

An annual event in the park's Friends group's social calendar Saturday's contest was hailed a success despite the bad weather.

Cath Johnston of Friends of Victoria Park said: "We had a good turnout even though it did rain for some time.

"Dog walkers tend to go out in all weather."
