

**From tiny acorns...**

TAKE the kids along to Stretford's Victoria Park on Saturday to encourage them to help the environment and enjoy themselves at the same time.

The Friends of Victoria Park, in association with the Tree Council, are running a tree seed gathering when all the family can collect tree seeds from around the park to be planted later in the year. It's an opportunity to learn about the different types of trees found in the park and how they grow.

The free event runs from 1pm to 3pm, meet by the

community building by the over fives playground.

**Picturesque Tatton**

A WALK around picturesque Tatton Park in Cheshire on Sunday promises help for youngsters with special needs as well as giving everyone an enjoyable stroll.

There are two sponsored walks available, a 2k walk ideal for parents with small children and prams, or a 5k route through the rolling park.

The Together Trust is dedicated to providing care, education and help for youngsters across the North
