

Unsung Heroes

Karina and Steve were delighted to be part of the Unsung Heroes Award ceremony, organised by Bev Hughes and supported by the Metro News. It was a wonderful celebration of over 50 local people who had been nominated for their voluntary work in the community. Here the two local councillors are pictured with Shelly Quinton-

Hulme, who Chairs The Friends of Victoria Park. Yet again, Victoria Park has recently been awarded £3,125 and this is down to Shelly and her committee, and the non-stop hard work they do.
