Snug as a bug

HELP create a mini beast mansion at Victoria Park.

The Stretford beauty spot's Friends group will welcome volunteers on Saturday to help them build a deluxe property for creepy crawlies.

All you need are clothes you don't mind getting muddy.

Building on the mini beast mansions starts at 10am at the park on Victoria Road.

The Friends hope it will earn it an award from Natural England.

Creature care

MORE than 60 pets were given health MOTs at a successful RSPCA event.

In just four hours, vets saw 42 dogs, 22 cats, two rats, a parrot and a tortoise at Old Trafford Community Centre on Saturday.

The next event, for rabbits and guinea pigs only, will take place on Saturday, March 20 at St Matthew's Church Hall, Stretford.
