

The Tea Room Catering

About Friends of Victoria Park

FoVPS was formed in March 2002 by a group of concerned, local residents who wanted to return the park back to the heart of the community as it was a no-go area full of anti-social behaviour at this time.

In 2018, we gained registered charity status as a Charitable Incorporated Organisation (CIO) in preparation for running The Tea Room and Community Building as a social enterprise, with all profits staying within the park community.
